

Membership

Minutes/Report:

DATE: September 14, 2010 - Membership Committee Meeting

LOCATION: VCCS

ATTENDEES: Laurie Schiavone, VCCS

Jeanne Holmes, SunTrust

GUEST(S):

MINUTES STATUS:

Discussed the response to the reminder about membership renewal. Over 125 members have renewed so far. Discussed methods to prompt members to renew earlier in the year in lieu of right before the conference in May. One way would be to entice members with a beginning of the year training offered by the feds which would require a paid membership. Laurie will check with the Training Committee or the President to see if this training will come to fruition and send out another reminder notice with this included. Briefly discussed possible mentor program again but will table this discussion until the next meeting. Discussed alternative ways to connect members such as including permission to be contacted regarding areas of expertise on the membership renewal form and distributing that to members in some way.

NEXT MEETING: November 2010

MEETING ADJOURNED:
