**MINUTES STATUS:** Complete

The Non-Conference Training Committee met at 11 am on November 12 to review progress of 09-10 webinars. To date three webinars are planned. These webinars replace the original webinar topics planned. Original webinar topics were replaced due to potential presenters being busy and current topical areas, such as year round Pell, being in transition.

Presently, one topic is confirmed for November 30: K-12 Financial Aid Awareness Programs. Pam Rambo is the presenter and the webinar will be held Nov. 30 at 3pm. An announcement has gone out to VASFAA members to save the date.

Two other topics with speakers are confirmed. One is College Night in Virginia by Mike Hawks. That webinar is scheduled for January. Mike is selecting his date and time. An announcement to VASFAA membership will be sent out as soon as specifics are known. The other confirmed webinar is to be provided by TG and will focus on loan counseling. TG will give us date and time information.

Other topics under consideration include a presentation by Lee Andes and Melissa Collum Wyatt from SCHEV on a topic regarding state aid that they receive the most queries about, financial literacy by one of the colleges that offer it and staff management possibly by Joan Zanders.
