**Report**: The year started out with a very successful transition board retreat at the Airfield Conference Center in Wakefield, VA where we were able to discuss goals and objectives for next year and get planning started. As this report, I have sent several e-mail messages to the Executive Board and committee chairs regarding VASFAA issues of policy and process. I’ve scheduled our first board meeting in a conference-call format. I’ve posted several items to the VASFAA listserv, including a summary of the SASFAA board report and a summary of a meeting with the Virginia Secretary of Education. Additionally, I submitted an article for the Summer 2006 edition of the VASFAA Voice. I’ve also had several individual conversations with committee chairs and their commissioners focusing on topics such as membership, web site updates, conference, training, and public relations. Many of these conversations focused on planning the year’s activities.

**Date**: 10/15/2006  
**Report**: We had our first board meeting by teleconference on August 16th and that worked quite successfully for a board meeting with a limited agenda. Submitted additional articles for the VASFAA Voice Newsletter. Have had regular communications with board members and committee chairs via e-mail and phone calls. Will try to schedule some “away missions” time for later this fall or after the first of the year. Will continue to send updates to the association membership via the VASFAA Listserv. Next board meeting scheduled for Oct 15 in Williamsburg in conjunction with Fall VASFAA Training event.

Objective 2 (HOW the committee plans to achieve the stated goal): Represent VASFAA on the SASFAA Executive Board.

Status Reports of Objective 2 (Please report your progress toward achieving the stated goals – this is where the committee provides updates to the Board, including any suggestions or modifications to the goal and/or the Strategic Plan):

Date: 8/11/06
Report: I attended the June SASFAA Transition Retreat and August SASFAA Executive Board Meeting. At the August board meeting many things were accomplished, including approving a balanced budget for SASFAA, addressing SASFAA’s response to the MyRichUncle marketing strategy, and reporting to the SASFAA Board on current VASFAA activities. I had the opportunity to sit down and talk with the other SASFAA State Presidents and discuss things going on within their associations and discuss issues that were common to each of our state associations (e.g., our concerns about decreased sponsorship due to HERA changes and mergers). I sent a message to the VASFAA listserv after the SASFAA Board meeting summarizing some of the activities that occurred during the meeting. I plan to attend the joint NCASFAA/SCASFAA conference in Asheville, NC in November at the invite of those two state presidents.

Date: 10/15/2006
Report: Continue to work closely with the SASFAA Board and particularly with the other SASFAA State Presidents in addressing common issues between the associations (e.g., issues related to MRU, association liabilities, statements of ethical behavior and non-discrimination policies, etc.). Will be attending the SASFAA Board meeting in Orlando in November and then attending the joint NCASFAA/SCASFAA conference in Asheville immediately following that. Will continue to keep the VASFAA membership apprised via listserv and newsletter of the goings on within SASFAA and with the other state associations. Have also agreed to serve as Local Arrangements co-chair for the SASFAA Conference in Virginia in 2008.

Objective 3 (HOW the committee plans to achieve the stated goal): Work to increase enhance interactions between VASFAA and external entities (e.g., legislators, state agencies, CCAN, other aid associations, etc.).

Status Reports of Objective 3 (Please report your progress toward achieving the stated goals – this is where the committee provides updates to the Board, including any suggestions or modifications to the goal and/or the Strategic Plan):

Date: 8/11/06
Report: I attended the annual NASFAA Conference in July in Seattle. I, along with Brad Barnett and Barry Simmons, met with Dr. Tom Morris, Virginia Secretary of Education and presented VASFAA to him as a resource. Additionally, we were able to get his pledge of support in our efforts to set up a standing proclamation for Financial Aid Awareness month.
in January. I sent a summary to the listserv discussing this meeting. I provided survey responses about VASFAA to CCAN for inclusion on the CCAN website. We will continue to work to develop a partnership between VASFAA and CCAN. Plan to attend the CCAN conference in December in Richmond.

Date: 10/15/2006
Report: Worked with the VASFAA Board to renew our participation with NASFAA in LearnStudentAid.org. Will be attending, and possibly presenting at, the CCAN Conference in Richmond in December. Will continue to keep the VASFAA membership apprised of any NASFAA activities and activities of other groups like CCAN and SCHEV.

Standard Goal 2: Lead the Association by providing opportunities for professional educational growth for the membership and awareness of financial aid awareness opportunities for students. (Strategic Plan Reference: Section 1.0, 2.0, 4.1 A (3), and 4.5 A (1-4))

Objective 1 (HOW the committee plans to achieve the stated goal): Work with appropriate VASFAA committees to ensure quality professional development opportunities are afforded to the membership.

Status Reports of Objective 1 (Please report your progress toward achieving the stated goals – this is where the committee provides updates to the Board, including any suggestions or modifications to the goal and/or the Strategic Plan):

Date: 8/11/06
Report: I continue to communicate with the committee chairs and commissioners regarding planning for the May 2007 conference. In working with the Experienced Aid Officer Training Committee, I signed the contract for accommodations at the Williamsburg Hospitality House in October for the fall training event that will include training for experienced aid officers, support staff and new aid officers.

Date: 10/15/2006
Report: I continue to communicate with the committee chairs and commissioners regarding planning for the May 2007 conference. Will be attending the Experienced Aid Officers’ Workshop in Williamsburg following the VASFAA Board Meeting. Continue to look for additional training opportunities that we can offer to the VASFAA membership to add value to membership in general.

Objective 2 (HOW the committee plans to achieve the stated goal): Communicate with the Executive Board and committee chairs to identify future leaders of the association.

Status Reports of Objective 2 (Please report your progress toward achieving the stated goals – this is where the committee provides updates to the Board, including any suggestions or modifications to the goal and/or the Strategic Plan):
Date: 8/11/06
Report: The first action taking in this regard was to get some new participation in the committee chair process and that was successful. A number of committee chairs are first-time chairs. To ease the concern for some, I established co-chair positions which I think will work fine. We had a large pool of volunteers to draw from for committee assignments which was very encouraging since many of those volunteers were new to VASFAA. I am working closely with the Past-President and other members of the board to promote folks to step up as possible entries on 2007-08 slate of candidates.

Date: 10/15/2006
Report: Had to appoint an interim Secretary, Jeanne Holmes, to take the place of the elected Secretary, Leslie Thomas, who is no longer practicing financial aid in the Commonwealth. Continue to work with the President-Elect in preparation for her term as President next year and to discuss options for conference sites for 2008. Continue to work with Past-President on issues related to a robust slate of candidates for the 2007-08 year. Will be working with the Public Relations Committee to send out thank you letters to VASFAA volunteers. Will be working with Membership Committee to do outreach letter to non-member institutions and to institutions and sectors that are under-represented in the association.
